Damascus, Syria | Mobile: +963 981 375 351 | Email: [mhmddammad@gmail.com](mailto:mhmddammad@gmail.com)

## Professional Summary

A motivated Electronics and Communications Engineering graduate seeking a Network Engineer position to leverage my CCNA certification, hands-on networking experience, and technical expertise in infrastructure management and troubleshooting.

## Education

**Bachelor of Electronics and Communications Engineering** Damascus University (2019 - 2024)

## Professional Certifications

- **Cisco Certified Network Associate (CCNA)** - Online certification (Trainer: Ahmad AL-Mashiach)
- **Technical Support Certification** - ICED (Trainer: Ameer Sarraj)

## English Language Proficiency

- New Horizon Center: Advanced levels (A1, B1, A2, B2, A3) | Trainer: Mustafa Hmedi
- English Island: Professional levels (K3, K4, K5) | Trainer: Muhammad Ardromli

## Technical Skills

**Networking & Infrastructure:** Network troubleshooting and diagnostics, Infrastructure networking design and implementation, CCNA-level routing and switching, Network security fundamentals

**Systems & Security:** Surveillance camera system installation and configuration, Digital telephone exchange systems, Network monitoring and maintenance

**Software & Tools:** VMware virtualization, Cisco Packet Tracer, GNS3 network simulation, Wireshark network protocol analyzer, Python programming

## Professional Experience

### UNICEF

- Successfully installed and configured surveillance camera systems and digital telephone exchanges
- Implemented security monitoring solutions to enhance facility safety

### ICED Training Program

- Completed hands-on training with networking equipment and devices
- Gained practical experience in cable management and network infrastructure setup

## Academic Projects

- Developed a secure voting system using blockchain technology and Python for graduation project
- Executed multiple network simulation projects using VMware, Cisco Packet Tracer, and GNS3

## Skills & Languages

**Soft Skills:** Strong written and verbal communication, Advanced typing speed, Works well under pressure, Quick learner, Effective team collaborator

### Languages:

- Arabic: Native proficiency
- English: Professional proficiency (80% in listening, reading, speaking, and writing)

## Personal Information

Date of Birth: September 24, 2000 | Nationality: Syrian
